All Network Service Providers.

**Sub: Submission of Network MPLS Feasibility report for Odisha Gramya Bank Branch Locations**

Dear Sir,

Bank is in process of procurement of new MPLS connectivity to it's 455 branch locations.

As per Expression of Interest meeting held on date 21<sup>st</sup> June 2018 at Head Office of Odisha Gramya Bank, we are pleased to publish the list of branch location details, for which bank request the Network service providers to submit their feasibility report for the branch locations.

Below points need to be considered while preparing and submitting the feasibility report:

1. The report will be considered confidential between Bank and respective service provider.
2. VSAT has been considered to be feasible for all location as it connects to satellite. VSAT service provider need not to submit their feasibility report.
3. MPLS Service provider providing connectivity to bank branches with Radio Frequency / 4G as last mile should submit their feasibility report as per table#1.
4. With RF as last mile the maximum Pole or Tower height allowed is as follows:
  - a. Connected or Cable
  - b. Roof Top Tower / Pole : <3m / 3m / 6m
  - c. Ground Based Tower / Pole : 6m / 9m
5. For 4G as last mile, the service provider should provide the number of BTS or Access Point available to connect to the branch locations.
6. RF should be given first preference and 4G last mile should be given second preference.
7. **The report should be submitted to [network@odishabank.in](mailto:network@odishabank.in), on or before 30<sup>th</sup> August 2018, 5 p.m.**
